

1973 : Voici le mois de may

En 1973, la carrière française de Nana s'accélère encore avec l'album de légende des "Vieilles Chansons de France", mais c'est aussi une multitude d'albums qui sortent en Asie et un album américain qui s'exporte dans le monde entier.

• In 1973, the french career of Nana Mouskouri increases with the legend album "Vieilles Chansons de France", but it is also many albums for Asia, and an American album, exported in the whole world.

1973 discography
